This immensely successful rock musical needs little introduction, but when it was first produced on Broadway in 1971 it broke new ground in its stage treatment of Jesus Christ. Based primarily on the Gospel according to St Matthew [with some extracts from St Luke] it deals with the last days of Jesus and includes dramatized versions of several well-known parables. Yet it is something much more than just another musical. It is an experience, a demonstration of joy and a celebration of the family of man. The cast improvise scenery and costumes and use many well-known theatrical devices including pantomime and vaudeville and varied musical styles to interpret one of humanity's greatest events.
